AGENDA REPORT

City of Santa Clara, California

Agenda Item # 3A

Date: April 30, 2008

To: City Manager/Executive Director for Council/Redevelopment Agency Information

From: Assistant City Manager

Subject: Continuance of "Committee of the Whole" Meeting to Review Proposed 49ers Stadium Design Information Previously Noticed for May 6, 2008

The proposed 49ers Stadium design information presentation was noticed for the May 6, 2008 Council meeting. The 49ers have determined that due to their ongoing conversations with Cedar Fair to address their concerns and refine the stadium site plan, it would more appropriate to present detailed stadium design information after the 49ers have developed additional clarity on the site layout and parking configuration. A new date for the "Committee of the Whole" presentation will be scheduled in the future.
